

Who are our caregivers?

Our goal is to actively recruit, train and retain the best caregivers in the industry by providing quality support, competitive wages and good benefits. We want our caregivers to know they are valued and able to succeed in any assignment given.

Conditions of employment for all caregivers:

- 1 year minimum experience
- Proficient with the English language
- Full past employment and reference checks
- Criminal background checks
- National and state sexual predator checks
- Drug screening
- CPR Certification
- TB tests annually
- Certified Nursing Assistant license preferred
- I-9 employment eligibility
- Twelve hours continuing education per year

All caregivers are required to speak English and communication needs are closely evaluated for every client. However, our caregivers do come from a variety of cultures and therefore have a variety of accents.
